- Google login

A screenshot of a web browser window showing a custom login page. The page has a light blue background. At the top, there's a header with "Log In" and a tab. The main content area contains a form with two input fields: "Username" and "Password". Below these fields are two buttons: a blue "Log In" button and a green "Register" button. Between these buttons is a link that says "Don't have an account?". Below the "Register" button is a red button with the Google+ logo and the text "Google+". To the left of this button is the text "Login with google+".

A screenshot of the Google Accounts sign-in page. The page has a white background. At the top, there's a header with "Sign in - Google Accounts" and a tab. The main content area contains the Google logo, followed by the text "Sign in with your Google Account". Below this is a sign-in card with a grey profile picture placeholder, a yellow input field containing the email "praneethiyyapu", and a blue "Next" button. To the right of the "Next" button is a link that says "Need help?". Below the sign-in card is a link that says "Create account". At the bottom, there's a footer with the text "One Google Account for everything Google" and a row of icons for Google services: G, Mail, Photos, YouTube, Drive, and Chrome.

- Postal code and temperature mash up.
